

THE CIVIC 50 GREATER PHILADELPHIA: DOING WELL BY DOING GOOD FOR THE COMMUNITY

For more than a century, the Philadelphia Foundation has increased philanthropic investment in the community, fostering the economic, civic and social vitality of Greater Philadelphia. As part of Philadelphia Foundation's role of serving as a key connector, key activator and key accelerator of change in the region, in 2021 Philadelphia Foundation launched The Civic 50 Greater Philadelphia, in partnership with Points of Light.

The Civic 50 Greater Philadelphia is the first East Coast implementation of Points of Light's national program, The Civic 50 and provides a framework for good corporate citizenship. This initiative showcases how local companies are moving social impact, civic engagement and community to the center of their business.
