

CONTRIBUTORS 2019

PHILADELPHIA
FOUNDATION

Perpetuating the ongoing work of the Philadelphia Foundation in 2019 were 1,134 individuals, families, companies and organizations who generously contributed \$73 million between Jan. 1 and Dec. 31, 2019.

Philadelphia Foundation salutes and thanks all those who have established or contributed to our funds that provide enduring philanthropic resources for Greater Philadelphia!

Thanks to their heart and vision, we will be able to continue to support and sustain those community organizations and initiatives that teach our children, train our future workforce, heal us, entertain and inspire us, preserve our natural spaces and provide social services to those most in need.

Listed here are those who gave a cumulative total of \$100 or more. Some donors chose to make their contributions anonymously, and we have honored their wishes.
