

PARENT^{TO}PARENT
USA

How it works

Connecting and supporting families of individuals with special needs

Contact your local Parent to Parent organization

Use the map below to locate the nearest Alliance Member and request a Parent to Parent match.

Your Coordinator selects a Support Parent

Your coordinator will gather detailed information to provide a quality, personalized match. You will receive your volunteer Support Parent's name and information within 24-48 hours.

Your Support Parent contacts you

You can expect a call from your Support Parent within the next few days. There is no cost to you for this service.
